COMPANY

Brief

Ampoule starts **as a brand developer** operating from Dom. Rep and China, quickly becoming the main developer for factories in DR and China.

By 2019 the company decides to develop trademark brands and **invests capital on expanding distribution infrastructure** and logistics.

2019

Ampoule starts commercializing electrical, cleaning and hygiene products locally

2022-2023

Ampoule starts exporting to other markets (T&C, Haiti, Ecuador etc.)

2016

Ampoule SRL is founded as a brand developer in DR

2021

Local distribution expansion with LED brands

2024

Full expansion ilumia brand and opening of foreign trade channel with China affiliate (Ampoule HK Co. LTD)
